Title: **SELECTIVE MMP-13 INHIBITORS**

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.56, 1.97 AND 1.98

Mail Stop Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Applicants submit herewith patents, publications, and other information of which they are aware, which they believe may be material, as defined in 37 C.F.R. 1.56(b), to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. 1.56(a). While the information referred to in this Information Disclosure Statement may be material pursuant to 37 C.F.R. 1.56(b), the filing of this Information Disclosure Statement is not intended to, pursuant to 37 C.F.R. 1.97(h), constitute an admission that any patent, publication or other information referred to is, or is considered to be, material to the patentability of this invention. Pursuant to 37 C.F.R. 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information exists.

This Information Disclosure Statement is filed within the period set forth in §1.97(b) because it accompanies the new patent application submitted herewith, is filed within three months of the filing date of a national application or within three months of the date of entry of the national stage as set forth in §1.491 in an international application, or is believed to be filed before the mailing date of a first Office Action on the merits, whichever event occurs last. However, in the event that the first office action has been mailed, the Commissioner is authorized to charge any fees under 37 C.F.R. 1.17(p) or credit any overpayment to Account No. 18-1982.

l	(b)	This	Information Disclosure Statement is filed after the period set forth in 37 C.F.R.	
		1.97	7(b), but is believed to be filed before the mailing date of a final action under §1.113	
		or a	notice of allowance under §1.311, whichever occurs first.	
		(1)	The undersigned attorney certifies that each item of information contained in this	
			Information Disclosure Statement was cited in a communication from a foreign	
			patent office in a counterpart foreign application not more than three months prior	
			to the filing of this statement;	
		(2)	The undersigned attorney certifies that no item of information contained in this	
			Information Disclosure Statement was cited in a communication from a foreign	
			patent office in a counterpart foreign application or, to the knowledge of the	
			undersigned attorney after making reasonable inquiry, was known to any	
			individual designated in §1.56(c) more than three months prior to the filing of this	
			statement; or	
		(3)	This Information Disclosure Statement is accompanied by a transmittal letter in	
			which payment of the fee set forth in §1.17(p) and required by 37 C.F.R. 1.97(c) is	
			authorized.	

A concise explanation of the relevance of references EP 0463592 and 0418797:

U.S. Patent No. 5,130,317, which is referred to in the instant IDS, is essentially an English language equivalent of the EP 0418797 reference, except that additional subject matter is claimed in the EP 0418797 specification than that claimed in U.S. Patent No. 5,130,317; and U.S. Patent No. 5,260,323, which is referred to in the instant IDS, is essentially an English language equivalent of the EP 0463592 reference, except that the U.S. Patent No. 5,260,323 includes additional examples of compounds than are disclosed in the EP 046359 reference, discloses a compound having a broader scope than that in the disclosed in the EP 046359 reference, and appears to claim additional subject matter in the EP 046359 specification than that claimed in U.S. Patent No. 5,260,323.

Respectfully submitted,

Raymond S. Parker, III, Ph.D., Reg. No. 34
